# **IDENTIFICATION OF THE PRODUCT AND COMPANY**

Product Name:	MELAMINE EDGEBANDING	
Company Name:	CANPLAST INC. 4797 Boul. Couture Montréal, Québec H1R 3H7 Information or emergency: {	
Date prepared:	October 10, 2000	Prepared by: Allan Doyle

#### 2. HAZARDOUS INGREDIENTS

Chemical composition: Thermoset plastic (melamine) impregnated cellulose paper. Topcoat lacquers are made of different mixtures of melamine and acrylic resin.

Hazardous ingredients: none

#### 3. PHYSICAL DATA

solid Form: Solubility in water: Boiling Point: Percentage volatiles: less than 0.1 ppm

not applicable not applicable

#### FIRE AND EXPLOSION HAZARD DATA 4.

Flash point: not applicable

Fire and explosion hazards: not applicable

### Hazardous combustion products:

Combustion causes smoke containing carbon monoxide (CO).

#### Extinguishing media:

Carbon dioxide (CO2), powder, foam, water fog.

10/00-172E

Page 1 of 2

# Stability:

Stable under normal conditions.

# 6. HEALTH HAZARD DATA

According to the present state of knowledge, melamine edgebanding is generally recognized as being physiologically safe. Melamine edgebanding emits less than 0.1 ppm of formaldehyde in the air - significantly lower than the maximum allowable limit of 2 ppm.

#### 7. SPILL AND LEAK PROCEDURES

Not relevant.

# 8. SAFE HANDLING, STORAGE AND USE

Handling: Not relevant.

### Storage:

Avoid storage in room having a high humidity level.

#### Safety measures:

Ensure proper ventilation. Air exhaust equipment is recommended.

#### Personal protection:

Not explicitly required.

### 9. DATA ON WASTE DISPOSAL

Product consists of cellulose. Upon consultation with competent authorities, material can be disposed of as commercial waste similar to household waste.

# 10. OTHER INFORMATION

#### Transportation:

Not hazardous product. Not regulated.

The information in this MSDS is based on the present state of our knowledge. The user's working conditions are beyond our knowledge and control. It is always the responsibility of the user to take all necessary steps in order to respect local rules and regulations. The information in this MSDS is meant as a description of the safety requirements of our products. There may be others depending on type of use.
